

**Topic:** Working at height

**Goals:** To create awareness among the cadets about the working at height as well as uses of different safety gears and equipments for designated task and how to mitigate, minimize the injuries at the workplace.

**Core Team:** Faculty Incharge, HSE Instructor, HSE Committee members, senior cadet captain, Group Leader each team.

**Participants:** All cadets.

**Resources:**

- Videotel / videos
- Safety posters
- Task sheet
- Poster competition
- Quiz

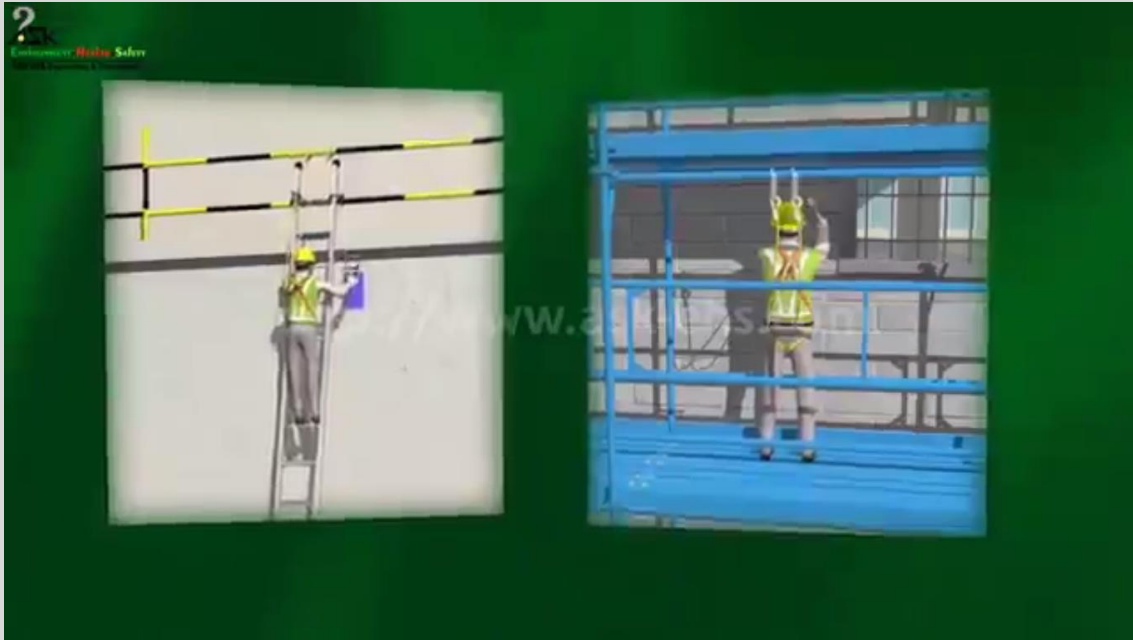

**Activities:**

- Announcement in the muster about launching the campaign.
- Videos.
- Safety posters related to ladder safety also to display on each notice board.
- Procedure and safety precaution for the given task or topics.
- E - Poster competition(to be divided among good practice and bad practice)
- Quiz competition related to working aloft
- Best group award of the campaign.

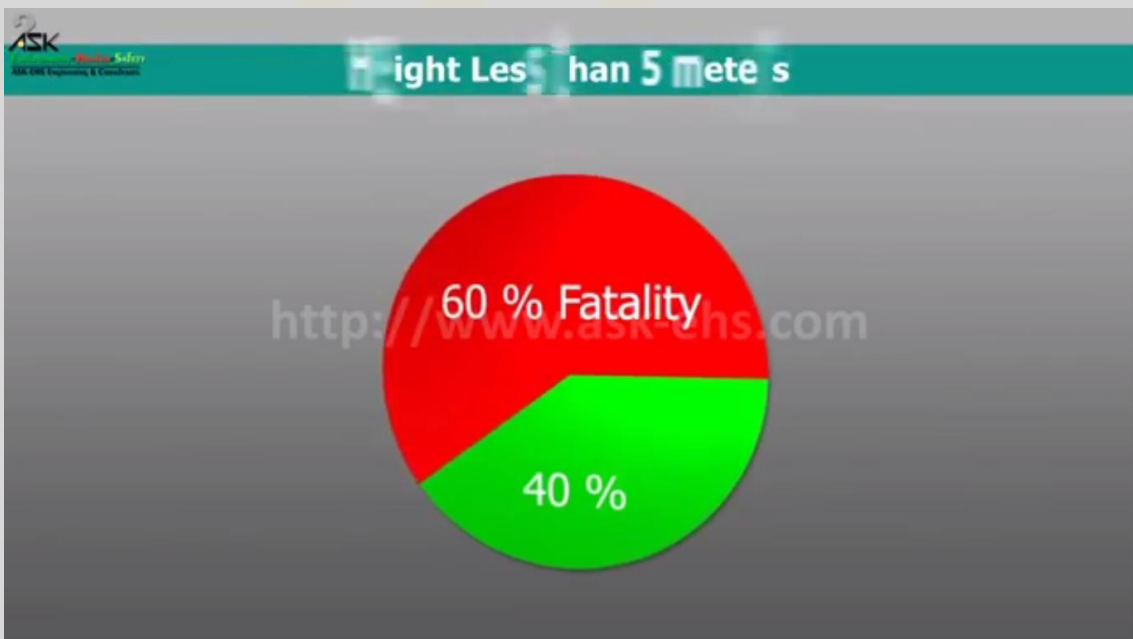

## **Tactic:**

1. As a first step towards the campaign, a meeting of the core team will be held in which they will be briefed about the plan and the various activities.
2. An announcement will be made in the muster on Saturday stating which division will be having their campaign from Monday, along with the topic. (Each division will have a campaign for a week, thus making it a 2 month program for 8 divisions).
3. Each division will then be divided into 10 groups of 4 each.
4. Based on the topic for the week, videotel / videos will be screened so that the cadets get a fair idea about the topic in an audio-visual format.
5. Each group will be given a topic related to a task (working aloft) and each group has to write about the procedure and safety precaution for performing that task.
6. E- poster competition (each poster divided among good practices and bad practices) will be held to encourage the cadets to think creatively about the topic and come up with a good understanding regarding it.
7. A quiz competition based on the theme will be held where each group will nominate one cadet for the quiz.
8. An external speaker will be called (occasionally) to speak about the topic and give the cadets a good insight about it.
9. Finally, based on the performance in various activities throughout the week “best group” award will be given away!!

Videos:

In this video It explain about causes and safety precaution

In this video It explain about the Number of fatality while working at height.

## Campaign Planner

Month: MAY / 2018

### Topic: Working at height / Ladder safety

Weeks	Campaign Participants	Mo	Tu	Wed	Thu	Fri	Sat	Su
Week 1	DNS 16/3	Video/ Videotel	01 E Posters	02 Procedure & Safety precaution of given task	03 E-Poster Competition (Good practices & Bad practices)	04 Quiz Competition	05	06
Week 2	GME 24	07 Video/ Videotel	08 E Posters	09 Procedure & Safety precaution of given task	10 Poster Competition (Good practices & Bad practices)	11 Quiz Competition	12	13
Week 3	DNS 16/4	14 Video/ Videotel	15 E Posters	16 Procedure & Safety precaution of given task	17 Poster Competition (Good practices & Bad practices)	18 Quiz Competition	19	20
Week 4	DNS 16/2	21 Video/ Videotel	22 E Posters	23 Procedure & Safety precaution of given task	24 Poster Competition (Good practices & Bad practices)	25 Quiz Competition	26	27
Week 5	DNS 16/1	28 Video/ Videotel	29 E Posters	30 Procedure & Safety precaution of given task	31 Poster Competition (Good practices & Bad practices)	01 Quiz Competition	02	03
